EASTERN IDAHO TECHNICAL COLLEGE FOUNDATION HOSTS DOLLARS FOR SCHOLARS ONLINE AUCTION

Eastern Idaho Technical College Foundation (EITCF) is thrilled to announce that February 7-9, 2012 an online auction to benefit the students, programs and facilities of Eastern Idaho Technical College will be available. The sophisticated website, www.dollars4EITC.com is easy to use and features a wide variety of items including art by Roy Reynolds and Joe Keller, restaurant and hotel gift certificates, gift baskets, entertainment tickets and more. The auction will open at 12 a.m. on February 7 and will close at 7 p.m. on February 9.

“One hundred percent of the contributions from the auction will be used to serve our deserving students, staff, faculty and academic programs,” says Eastern Idaho Technical College Foundation Executive Director Michelle Ziel. The mission of the EITC Foundation is to provide student scholarships, support EITC academic programs and outreach to other organizations to benefit the community at large. In 2012, the EITC Foundation will award \$571,857 to 347 students in April at their annual scholarship ceremony. “Due to the generous contributions to our college from foundations, businesses and individuals, we will help hundreds of students achieve their academic goals and provide a better life for themselves and their families,” Ziel continues.

For more information on the EITC Foundation, please visit www.eitcfoundation.org or call 208-524-0464.
