

An All-American Landmark Needs Your Help!

Hampton Hotels' Save-A-Landmark Program is Coming to Idaho!

Our award-winning Save-A-Landmark program will continue its 11th year at The Romance in Rexburg, Idaho. We'll help revive this community theater that once boasted silent films and Vaudeville shows. The event will mark our program's very first trip to Idaho and we're counting on you to show what Hamptonality is all about! Help us reach our goal of 20 volunteers to help preserve this historic landmark.
