

# Bonneville County Choppers

Idaho's Finest Custom Choppers

March 3, 2011

To Whom It May Concern:

Bonneville County Choppers is a locally owned, independent motorcycle shop that believes in building affordable custom motorcycles, service repair and restoration work. We believe in giving back to our community in as many ways as possible. Recently one of our long time customers mentioned to us that their granddaughter, Isabelle, is in need of a new wheelchair because she has out grown her current chair. Medicare will not pay for the new wheelchair because according to their policy they will only approve the purchase of a new chair every 5 years. While this may be suitable for an adult that has stopped growing, this proves difficult for a child that is not only still growing, but is also very active.

Isabelle has a heart condition called Shone's Syndrome. During her first surgery, she had a stroke which caused paralysis. She needs a wheelchair that is semi-customized to fit her and her unique condition better. This increases the cost of her chair significantly. The cost of her chair is approximately \$5000.00. On April 16, 2011 we will be hosting our annual open house, Bonneville County Choppers Mudhole Motorcycle and Bicycle Show. The event is family friendly and we welcome people of all ages. Normally it is free to enter, however this year we have decided to ask for a \$3.00 donation for any entries, all of which will be donated to the purchase of a new wheelchair for Isabelle. Your help with our event would go a long way to making our event a success for our goal of helping to provide Isabelle with a new wheelchair. We are not asking for monetary donations, but instead a gift, or gift certificate to be added to the raffle is greatly appreciated. In return for your generosity, we will place your company's logo on our event fliers, and your company's name for donations given announced live at the event.

Thank you for considering our request. Should you have any questions or need further information, please feel free to contact me.

Sincerely,

Katina Kienlen  
Office Manager
