

SERVICEMASTER CLEANING & RESTORATION
WINS NATIONAL AWARDS

ServiceMaster Clean presented the Expert Award to **Alma & Trina Stumpp, owners of ServiceMaster Cleaning & Restoration** at its International Convention recently held in Boston, MA.

Recipients of this award must meet a variety of criteria in order to be nominated, including a minimum revenue amount, a minimum growth of 10 percent and a nomination by their Business Development Manager. From these recipients, the top 31 franchises are selected for the Expert award. The recipients who were honored at the convention represent the top performing franchise owners from over 4,500 businesses worldwide.

The Idaho Falls franchise is located in Ammon and has been serving the Idaho Falls area since 1999. ServiceMaster Cleaning & Restoration specializes in Disaster Restoration, which includes flood, fire and smoke damage. They also provide routine carpet and tile cleaning services for residential and commercial needs. The Stumpp's also own and operate the Pocatello ServiceMaster franchise.

ServiceMaster Clean is consistently named as one of the top franchise companies worldwide by industry publications.

With more than 4,500 franchised locations around the world, ServiceMaster Clean serves customers through a global network of franchises that provide janitorial services, commercial carpet cleaning, hard surface floor care, residential carpet cleaning and upholstery, and disaster restoration services. The company has more than 60 years of history as a market leader.
